## RoHS Compliance Statement

May 1<sup>st</sup>, 2017

Herewith, we, WMC SINTERSTAR AG, Lotzwil, Switzerland, confirm that all our cemented carbide products are manufactured in compliance with

“The **Restriction of the use of certain Hazardous Substances** in electrical and electronic equipment” - **RoHS 2** - Directive 2011/65/EU.

“Hazardous substances” are defined as:

- Lead (Pb),
- Mercury (Hg),
- Cadmium (Cd),
- Hexavalent Chromium (Cr<sup>6+</sup>),
- Polybrominated biphenyls (PBB),
- Polybrominated diphenyl ether (PBDE).

A handwritten signature in blue ink, appearing to read "E. Metzger", is written over the printed name below.

Dr. Erich Metzger
